It's that time again to head over the mountains to where you'll enjoy the glorious scenery of Lake Tahoe as you create beautiful projects with our own hands! Our time at Zephyr Point will begin Monday afternoon, with dinner being served that evening, through Friday morning's breakfast. We'll close out our stay with a few more hours of sewing before heading home. Activities will include a Monday night Welcome, two afternoons of on-site shopping sponsored by Fabric Chicks and Quilt House. Rika, from Second Wind Massage, will be available Wednesday evening to massage those tight muscles, and on Thursday evening we'll close with our "Walk-Around" and the revealing of our Secret Pals.
