Are you ready to head over the mountains and get to our favorite place? Our time at Zephyr Point will begin Sunday afternoon, with dinner being served that evening, through Friday morning's breakfast. Sewing for a few hours Friday morning will help us get those finishing touches on our projects before heading home. Planned activities will include a Sunday night Welcome, on-site shopping sponsored by local quilt shops, our "I Need to Sell my Stuff So I Can Buy More Stuff" Sale and Second Wind Massage for chair or table massages. Thursday evening we will close with our "Walk-Around" and the revealing of our Secret Pals.
