

## July 17 Sew Elegant Info

In July we will be making hanger covers for our Fall Showcase favors. I think this will go pretty quickly if we set up an assembly line. These are the stations I think will work.

1. Sewing machine -hem and tack hanger opening
2. Pinning – pin sides to center strip
3. Serging – serge sides to center strip
4. Pinning and Ironing – iron, fold, and pin hem
5. Sewing machine – sew hem in place

### Supplies needed

Sewing machines and some sergers

Pins

Extra irons and mats

Thread – for sewing machines – cream/beige, tan, brown, grey, black

For sergers – light and medium neutrals
