# PRESIDENT'S MESSAGE 2024

Welcome to a new year of sewing fun, adventures and successes! I'm quite happy to remain as president of our guild for another year. Thank you for supporting me with your votes and I'll say "better luck next time" to my opponents. Oh, right, there wasn't anyone else on the ballot. What an easy election!

Has anyone else made plans for what you'd like to accomplish or learn in this new year? I'm exploring Free Motion Quilting after experimenting on the Mug Rug monthly projects from our local fabric shop High Sierra Quilts. There wasn't a requirement to quilt these little mugs, but I wanted to practice.

There certainly are a lot of opportunities both within our Gold Country Chapter as well as some of our nearby chapters. Remember, as an ASG member you are welcome to attend meetings in all of the nationwide chapters! Traveling this year? Stop in for a visit at a local chapter and see what they are enjoying. Then bring those ideas back to us! We all love new projects and techniques.

As you may have experienced in other social/affinity groups that you attend, there has been diminishing participation of members and volunteers for leadership positions. The reasons I've heard are the aging population in our communities, and the number of families that need two incomes to maintain a good quality of life. As we age it gets harder to commit to being fit and ready for a day in the future. Parents are distracted and exhausted from outside work plus household responsibilities.

Those of us who have the energy and time need to participate if we wish our group activities to continue. You could volunteer to help at just one event, or team-up with a buddy to fill one of our open positions and share the work. Think about car-pooling to a meeting, taking turns at driving, or picking up those who no longer drive. We could also "attend" ZOOM presentations in a shared meeting room so those folks who don't have computers/phones can watch with the rest of us (and chat, share).

Help us help you get the most out of your membership! Share your thoughts and ideas for a great new year!

*sew Onward, Terry*

## Reno Sew and Sew

**This is just a quick reminder that our summer sewing retreat (aka Camp Sew & Sew) is filling up. Get your application in soon and make your payment (with application or later if you are a current member of Gold Country ASG). This email is going out to the current members of Gold Country ASG. We already have 3 newbies coming this year (from the chapter), max is 24 attendees.**

**I've attached the application form to this email and below is a description of our camp at Zephyr Point.**

---

**Come join us for a sewing retreat in the mountains and a fantastic view of Lake Tahoe! Our annual Camp Sew & Sew is scheduled for Sun, March 24, through Friday, March 29, 2024. As we have for several years, we are holding this at the Zephyr Point Conference Center and we'll be using the Inspiration Point conference room (again) and rooms at the Tallac Center. The sewing area will be set up for up to 24 participants with ironing and cutting stations in the room or nearby. Food is provided by the Center and our rooms have 2 (or 3) queen size beds with its own bathroom.**

**While it seems like a lot of effort to schlep your gear to Lake Tahoe, the benefits are many! Lots of good cheer, bragging rights abound, oohs and aahs as your projects progress during the week, and no interruptions except to socialize. Once set up, you are free to work when you want, and for however long you want! Best of all is no food prep - it's supplied by the Center! We have a coffee bar outside of the workroom, and someone is always up early to get the coffee started. Many bring munchies to go along with that coffee, tea, or whatever (I suggest you wrap them separately if they are hand made).**

**The price is \$600 or \$950 for double or single occupancy per room - our fees just cover our expenses - so we really NEED to have 21-24 attendees to clear that hurdle. Fill out your registration form and remit with payment as soon as you can commit (Gold Country ASG members can delay payment until Mar 10 but should provide a registration form early to get their "spot"). We must have a headcount by March 10, 2024. There is a late fee added to applications sent after Feb 1, 2024. We are limit our numbers to 24 so that we have maximum workspace per attendee.**

**You can access the form at this website ([https://drive.google.com/file/d/1OLfTe0h9Lr7XWd9N48vQCnMypQ21EksL/view?usp=drive\\_link](https://drive.google.com/file/d/1OLfTe0h9Lr7XWd9N48vQCnMypQ21EksL/view?usp=drive_link) <[https://drive.google.com/file/d/1OLfTe0h9Lr7XWd9N48vQCnMypQ21EksL/view?usp=drive\\_link](https://drive.google.com/file/d/1OLfTe0h9Lr7XWd9N48vQCnMypQ21EksL/view?usp=drive_link)>).**

**But you can also obtain a copy at the Gold Country ASG website (not sure when it will go online)**

## FROM CALLIE AND CAB — IMPORTANT TIME SENSITIVE

### **ALL HANDS ON DECK PLEASE!!**

For several years, Gold Country ASG has had the luxury of renting a storage facility in Placerville. However, the facility has more than quadrupled the rent and we can no longer afford it. This means we are facing a labor intensive move.

We have large wooden shelves that need to be disassembled and reassembled in a new location. And lots of bins and bolts of fabric, plus other kinds of supplies.

Gail Butler has graciously offered some space at her home, but is not able to accommodate all of it. We are still searching for options. Ideally our goal is to be out of the storage unit by March 1st. It looks like we will be storing fabrics in different places than other equipment. Ideally Huong Dong will be storing all the supplies she uses for our special events, Carol Jurcak will store items needed for retreats, etc. This is far from perfect, but unless we can find an affordable location for everything, it may be what happens.

The purpose of this short article is to let you know we will be sending out a plea for help once we are able to set a work day or days. We were originally going to set it for February 17 and 18, but Gail's space she is offering will not yet be available.

If you, your spouses, your kids, your grandkids (anyone need documentation of community service?), call Callie Neville at (916) 995-7200 and leave a message, or email her [ImaBRNfan@gmail.com](mailto:ImaBRNfan@gmail.com) Other than lots of lifting, carrying and transporting, the biggest task will be disassembling shelving and reassembling them. This would take someone with power tools and skills.

## New Neighborhood Group

### New Group Started in January

### “Specialty Garment Techniques”

2024 will begin with a **new neighborhood group** and you're invited to help us get started. If you like sewing garments, then this new group is just for you with a slight twist: We'll be sewing **men and women's casual wear, coats & jackets, and a touch of vintage sewing.**

The new neighborhood group will meet the 2<sup>nd</sup> Tuesday of every month at Raley's One Market, 3935 Park Drive, El Dorado Hills. Our meeting time is 10-3.

I would like to hear from anyone who has suggestions or questions because now is the best time to get your ideas included. You do not need to have advanced sewing skills because we're going to teach you the techniques you need while you make garments.

This is your invitation to join us at our very first meeting. Let's make Specialty Garment Techniques sewsessmentful (that's not a typo).

Last, but not least, your group leader is me, Julia Johnson. If you have any questions or suggestions, you want to share please email me at: [me@sew-vintage.org](mailto:me@sew-vintage.org)

How to information comes just in time. Check this out before you go to the new garment group.

# Jacket Tailoring

## the chest shield

- stability
- body
- reinforcement

The chest shield is a layer — or, sometimes, multiple layers — that provide stability, body, and reinforcement to the upper front of a jacket. Every woman, even if large-busted, has a little crease or hollow next to the armhole in the chest area that can cause vertical wrinkles or folds in the upper chest of a jacket or coat. To remedy this, we put in a chest shield.

## HOW TO ACCESS GOOGLE TO STORE YOUR INFORMATION FOR THE NEWSLETTER AND SHARE WITH OTHERS

Just wanted to review what may help 'organize' stuff that is in storage and which is of interest to various groups or CAB members.

We could create a google folder within which are various documents or spreadsheets (preferable as it can be made to be similar across multiple users). The group would identify the their file by name. The folder would be public as would all files within it.

Here's the link to the folder: <https://drive.google.com/drive/folders/1hdvGXirYLSwdBt0aCXo6Tdpns2ENHqUJ?usp=sharing>, inside of which is a spreadsheet that I created based on Callie's listing of items found in the storage unit. This is just an example of items to identify and the various qualifiers for each item (box, bag, bolt, bin), how many, and contents. The file I created was: [https://docs.google.com/spreadsheets/d/1pq\\_kwN9ra8Gq8Zdnnp3eORE7qrjLh6RyQV0bW2T14s/edit?usp=drive\\_link](https://docs.google.com/spreadsheets/d/1pq_kwN9ra8Gq8Zdnnp3eORE7qrjLh6RyQV0bW2T14s/edit?usp=drive_link)

The file itself should be accessible as it is inside of a 'public' folder. I've added a screen shot of the file contents.

—Lydia

Thank you Lydia

Here's a quick rundown of features that Google offers. This is really an overview of navigation but may help to better understand what you can do with a Google account. I happen to access 4 google accounts all the time, so knowing 'which' one you're in is easily found (upper right corner). I do mention about uploading files (that's what the "New +" icon is for) - you can upload or create folders or files.

Here's the link to the file I just wrote up: [https://docs.google.com/document/d/1DNT2\\_8XVw8GY7vW2QWvZ6r0OwvXOf\\_xo7QdidOE1FQk/edit?usp=sharing](https://docs.google.com/document/d/1DNT2_8XVw8GY7vW2QWvZ6r0OwvXOf_xo7QdidOE1FQk/edit?usp=sharing)

# SEE WHAT OUR CHAPTER IS DOING

January 2024

Clothes Fit Fun

We kicked off our first project for the year! It is a sew along of the Love Notions Melody Dolman blouse. We started with the basics- how to download and obtain a printed PDF pattern. Next we sampled several possible fabrics suitable for our project.

In our next meeting our goal is select a size and identify any fit issues and get started on a wearable muslin. For those who have already made this pattern, it will be a chance to try more difficult techniques such as pattern matching or pattern hacking.

Hello All,

If you're ready to try sewing men and women's casual garments, then we're the group for you. Specialty Garment Techniques meets the 2nd Tuesday of the month at Raley's, O-N-E Market, 3935 Park, El Dorado. For more information please contact:

## COMMUNITY SERVICE – Look What They Did!

Our two community service neighborhood groups, Sew Threads of Love and Sew Threads of Love Too made and donated 776 items to organizations in the communities during 2023. Sew Threads of Love donated a total of 132 items to local organizations this past year. These organizations included: Upper Room, Meals on Wheels, Hope House, New Morning, Marshall Cancer Center, Family Support Services, WIC, Women's Center, EDC Health Center and Hands for Hope. They donated toiletry bags, kid's book backpacks, clothing protectors, walker bags, tote bags, lap quilts, baby quilts and baby bibs.

Sew Threads of Love Too provided a total of 644 donations to the following organizations: Amador Stars, American Legion Women's Auxiliary, A-PAL and Tri County Wildlife Care, Assisicare, ATCAA/Amador Lifeline, Fire Safe Group of El Dorado County, First Five Amador, HeadStart ECS State Preschool-ATCCA Early Childhood Services, Homeless Emergency Shelter, Hospice of Amador and Calaveras, Senior Center Amador County (including Meals on Wheels), Sierra Wind Wellness Recovery Center, Sutter Hospital Thrift Store and WIC Mother Lode. They gave pillows, dining vests, walker bags, quilts, mats for cat cages, Christmas stockings, shopping bags, pillowcases, cool ties, burp cloths, bibs, cloth books, taggies, fidgets, scarves, blankets, hats, toiletry bags and a dog bed.

#### North Jersey, NJ Chapter

The Clifton Animal Shelter was this year's beneficiary of the North Jersey Clifton Clippers Neighborhood Group's annual charity sewing project. Pam, one of the shelter's volunteers, and Marty, one of the shelter's current residents, happily accepted 38 fleece cat beds, 6 cat carrier covers, 100 catnip toys, and 150 empty (ready to be filled) catnip toys, all made by their members. Great job! Thanks for making the holidays warm and cozy for the adoptable furbabies, North Jersey!
